About the Venue

Embracing Peninsula Lake, Deerhurst Resort is one of National Geographic Traveller Magazine's "Best of the World 2012" recommended places to visit. Deerhurst, the largest single hotel venue north of Toronto, hosted the 36th G8 Summit in 2010. This sleek multi-function space is an ideal spot for tradeshows and conferences.

The 11,000 square foot Legacy Hall features a column- free layout, large doors for ease of set-up and has plenty of access points for vendors. The perfect destination for fun-filled family vacations, year-round getaways and meetings.

About the Location

Join us in Muskoka at Deerhurst Resort in Huntsville, Ontario, only 215 km (133 Miles) north of Toronto, bordering Algonquin Provincial Park. The resort, embracing Peninsula Lake near Huntsville, is your connection to Ontario's famous "Cottage Country" lifestyle and has been welcoming vacationing families and couples, as well as meetings and conference guests since 1896. Known for its excellent golf – including Deerhurst Highlands which ranked in the top 50 best you can play in 2016 by Canadian Golf Magazine, fresh, locally sourced cuisine highlighted throughout the four onsite restaurants, and live entertainment, Deerhurst resort has everything you need for your ultimate Muskoka getaway. Offering the most activities of any resort in Ontario year-round, plus it's close proximity to Algonquin Park, (just 30 minutes away) the resort has something for everyone.

Muskoka is known for its rugged landscape and natural splendour, from the windswept pines, rocky shores and turquoise waters of Georgian Bay in the west to the thick forest, freshwater lakes and abundant wildlife where Muskoka borders on Algonquin Park in the east. The district contains 1,600 lakes; and contains 19 watersheds, all beginning in Algonquin Park and flowing westward before emptying into Georgian Bay.
